

New Online Advance Booking Service for Submission of Application for Qualifications Assessment

To provide more efficient service, the HKCAAVQ is introducing an online booking system for applicants to submit applications for qualification assessments in person. The online booking system will come into effect on 13 March 2008.

The Online Appointment Booking System (OABS) allows applicants to make an appointment from two hours to four weeks ahead of the intended appointment time. Half-hourly sessions (9:00 am to 5:30 pm, Mondays to Fridays) will be open for booking on a first-come-first-served basis and booking will be confirmed through the issuance of a booking number by email.

Availability of service for those who have not made an appointment or those who are 15 minutes late for the reserved time slot will be made subject to the prevailing booking situation.

It will still be possible to make use of our telephone appointment booking service, and mail-in applications are still accepted.
