

## **HKCAAVQ Local Member**

**Professor Paul LAM Kwan-sing, SBS, JP**  
**Chief-of-Staff (Vice-President)**  
**City University of Hong Kong**

Professor Paul Lam is the Chief-of-Staff (Vice-President) and Chair Professor of Biology at City University of Hong Kong. He is also Director of the State Key Laboratory of Marine Pollution. Prof Lam actively participates in community service. He was Chairman of the Advisory Council on the Environment (2010-2016). He was appointed a Justice of the Peace by the Hong Kong SAR Government in 2008. He was awarded the Silver Bauhinia Star (SBS) in 2014.

Prof Lam has extensive research experience in marine environmental research. He is the author/co-author of over 370 publications in international referred journals. Prof Lam has been responsible for over 30 major government consultancy projects in the environmental field, including assessments of risks to Hong Kong cetaceans and waterbirds due to toxic contaminants.

He was an Associate Editor of the “Environmental Toxicology and Risk Assessment” section of Chemosphere (2004-2008). He is currently an Associate Editor of Journal of Environmental Sciences (since 2015) and a member of the Editorial Advisory Board of Environmental Science and Technology (since 2010).
