Governance

Internal Management Structure & QA

Continuous Quality Improvement (CQI) & Cost-Effectiveness

- [Re-]Accreditation as part of the CQI processes
 - Fit for Purpose vs. Value Added?
 - Well-established Providers vs. Start-up?
 - Mission-based Peer Review as part of CQI vs. Minimum Threshold?
 - Cross-recognition with established QA Agencies
 - Prevent duplication of efforts
- Professional Development & CPD courses?
 - Should we consider steadfast review process to shorten lead-time?
 - How to handle rapid changes of CPD courses?

Can Quality Education be Differentiated?

- Effective Outcome of Quality Education
 - Leading to Significant Change & Improvement?
- High Value-added Learning Activities within/outside Classroom
 - Fun & Fruitful?
- Best wishes to You all for a Bright Future in a Challenging Environment!
