| 1   | Guidance Notes on Substantial Change to Accreditation Status              | 2.2     | 2017-02-13   | 2017-02-13     | 1) Adding an example on substantial changes (para. 5.1(i)).  
2) Removing an example for changes that are not considered as substantial changes (para 6.1).                                                      |
| 2   | Guidance Notes on Substantial Change to Accreditation Status              | 3.0     | 2017-09-01   | 2017-09-01     | 1) Reiteration of the relationship between accreditation status and substantial change.  
2) Refinements to the categorisation of changes and inclusion of additional examples for different categories of changes.  
3) Introduction of the "Notification Approach" in handling substantial change.                                                                                   |
