1. Introduction

- 1.1 The Hong Kong Council for Accreditation of Academic and Vocational Qualifications (HKCAAVQ) was established under the HKCAAVQ Ordinance (Cap. 1150) and may conduct accreditation tests generally or as authorised under any other local enactment. HKCAAVQ also performs the statutory roles of the Accreditation Authority and the Qualifications Register (QR) Authority under the Accreditation of Academic and Vocational Qualifications Ordinance (Cap. 592). In the capacity of the Accreditation Authority, HKCAAVQ conducts accreditation tests under the Hong Kong Qualifications Framework (HKQF) (these are collectively known as “accreditation” or “HKCAAVQ accreditation” throughout this Guide).
- 1.2 HKCAAVQ, commissioned by Labour and Welfare Bureau (LWB), is responsible for (a) advising LWB on the registrability of courses to be included in the list of CEF Courses under the Continuing Education Fund (CEF), and (b) monitoring the quality of courses after CEF registration, as and when required by LWB. As regards the Office of the Continuing Education Fund (OCEF), it ensures efficient administration of the CEF including reimbursement of tuition fees. Registration of a course under the CEF is hereinafter referred to as “CEF Registration” and the course which is so registered is known as “CEF Course” or “reimbursable course under the CEF”. For the purpose of this Guide, LWB, HKCAAVQ, and OCEF are referred to below individually as “Authority” and collectively as “Authorities”.
- 1.3 In June 2002, the Government set up the CEF to encourage adults to pursue further education by providing them with subsidies for continuing education and training, with a view to facilitating Hong Kong’s transition to a knowledge-based economy and adaptation to an increasingly globalised economy.
- 1.4 In order to enhance the operation of CEF, a series of enhancement measures applicable to CEF Courses that commence on 1 April 2019 and 1 August 2022 respectively are implemented. By way of a short summary, the main terms of operation of CEF include –
- (i) Course providers shall only submit applications for registration of CEF Courses which are self-financing courses (i.e. the operating expenses of the courses under application are not supported by any other grant or subsidy from the Government).
 - (ii) Unless course providers opt to apply for both HKCAAVQ accreditation and CEF Registration at the same time, prior to the application for CEF Registration, the course must already be entered into the Qualifications Register (QR) (“QR registration”).
 - (iii) Application for registration or renewal of registration of CEF Courses needs to go through the assessment by HKCAAVQ. Secretary for Labour and Welfare (SLW) is the final approval authority for any application for CEF registration / renewal of registration of such courses.
 - (iv) The validity period of all CEF Courses will be four years, commencing from and including the date of SLW’s letter to the course provider approving the registration or renewal of registration of the CEF Course provided or operated by the course provider as a reimbursable course under the CEF (the Letter of Approval), and expiring on and including the earliest of the following dates: (i) the date on which the CEF Course is de-registered or suspended under the CEF Terms (please refer to **Appendix 3** to this Guide for the Proforma Terms and Conditions applicable to all courses offered

by Non-self-accrediting Course Providers Registered as Reimbursable Courses under the CEF (“CEF Proforma”); (ii) the date on which the registration of the CEF Course on the QR registration ceases to have effect; (iii) the date on which the CEF Registration is otherwise terminated under any of the CEF Terms; and (iv) the end date of the validity period specified in the Letter of Approval.. Before expiry of the validity period, an application for renewal of CEF registration must be made to LWB through HKCAAVQ to ensure that the courses can continue to be included in the list of reimbursable courses under the CEF.

- (v) From 1 April 2023 onwards, all course providers shall obtain QR registration prior to applying for course registration under CEF.
- (vi) All existing CEF course providers are requested to comply with the latest version of the CEF Proforma as set out in the Letter of Approval. The CEF Proforma is in **Appendix 3**.
- (vii) Individual module or a combination of modules (except for Specification of Competency Standards (SCS) / Specification of Generic (Foundation) Competencies (SGC) based courses)¹ may also be submitted for CEF registration as a standalone CEF Course².
- (viii) During the validity period, all CEF Courses are subject to surprise audit visits and scheduled on-site inspections by any of the Authorities. Each scheduled on-site inspection covers both real-time inspection of the CEF Course as it is conducted, and inspection of the records kept and maintained by the CEF course providers. For surprise audit visits, only inspection of the records will be made but not real-time inspection of the CEF Course. Failure to comply with the required standards or any of the CEF Terms may lead to de-registration or suspension of the CEF Courses. Course providers must keep complete and accurate records of seven years in preparation for inspections.
- (ix) The upper age limit for learners is lifted for all CEF Courses which commence classes on or after 1 August 2022. CEF applicants may not enjoy double subsidy from the Government. If he or she already receives or already applies for subsidy (howsoever described) from the Government in relation to a CEF Course (including but not limited to subsidies to learners under Study Subsidy Scheme for Designated Professions / Sectors, Non-means-tested Subsidy Scheme for Self-financing Undergraduate Studies in Hong Kong, or grant to institution through University Grants Committee or Employees Retraining Board), he or she may not apply for reimbursement for that course/ module/ credit pursuant to the CEF Scheme.
- (x) CEF applicants must have successfully completed the CEF Course, i.e. attended no less than 70% of the contactable hours for the course (or such higher attendance requirement as prescribed for the course), and attained no less than the overall passing mark for the course as assessed by whichever method approved by SLW (including any examination and/or assignment based on the approved weightings), i.e. either 50% or such higher overall passing mark or grade equivalent as prescribed for the course, and where applicable, passed the specified benchmark test(s) at the specified (or higher) level(s) concerned for a CEF Course which is a language proficiency course.

¹ More information of SCS-based and SGC-based courses can be found on the website of the QF (<http://www.hkqf.gov.hk/>) for public reference.

² For CEF reimbursement purposes, CEF applicants will be eligible for tuition fee reimbursement only upon their successful completion of the course. They may claim reimbursement upon completion of a module of the course only if the module is registered as a standalone CEF course on the list of CEF Courses.

(xi) For CEF Courses commencing classes from 1 April 2019 to 31 July 2022, eligible CEF applicants may be reimbursed parts of the tuition fee paid for a CEF Course (80% of the tuition fee (applicable for the first HK\$10,000 subsidy); and 60% of the tuition fee (applicable for the second HK\$10,000 subsidy), up to a total of HK\$20,000 subsidy per person under the CEF, on successful completion of a CEF Course. The subsidy ceiling per person is raised to HK\$25,000 from 1 August 2022, applicable for CEF Courses commencing on or after the same date and with the same co-payment ratios, i.e. 80% of the tuition fee (applicable for the first HK\$10,000 subsidy); and 60% of the tuition fee (applicable for the remaining HK\$15,000 subsidy) may be reimbursed. The actual rules of calculation of the reimbursement of subsidy amount to CEF applicants for each course shall follow the content on the CEF website.

- 1.5 Courses under the CEF may be registered as “Eligible Face-to-face Courses” or “Eligible Online Courses” depending on the proportion of face-to-face and online hours of teaching and learning. Courses with teaching and learning activities conducted primarily in face-to-face mode and fulfilling the criteria as laid down in sub-paragraph B1 under paragraph 2.1 may be registered as “Eligible Face-to-face Courses”; those conducted in a hybrid face-to-face and on-line mode and fulfilling the criteria in sub-paragraph B2 under paragraph 2.1 may be registered as “Eligible Online Courses”.
- 1.6 This Guide (in the version issued on 19 September 2023) supersedes the earlier Guide (August 2022) and comes into effect on the date it is issued. Any references to this Guide shall mean this Guide in the version issued on 19 September 2023.
- 1.7 This Guide contains the assessment requirements, timeframe and procedures for non-self-accrediting course providers intending to apply for registration or renewal of registration of courses as CEF Courses. It also gives an overview of the requirements that course providers must comply with during the post-registration stage.
- 1.8 For enquiries about the HKCAAVQ’s assessment service for CEF Courses, please contact HKCAAVQ at cef@hkcaavq.edu.hk or by phone at 3658 0241.

Even if the one-year period as mentioned above has lapsed since the de-registration, the course provider must still demonstrate that it is fit and proper³ to offer CEF Courses despite its past non-compliance record with the terms and conditions of CEF and the gravity of the breaches which led to the past de-registration.

⁴ In deciding whether a course provider, a responsible person, or a course director is fit and proper, the Authority may consider all relevant factors including but not limited to (a) the past compliance record of the relevant applicant of the CEF Terms or compliance record of a CEF Course which he or she served as the responsible person or course director; (b) the financial status of the course provider (e.g. in the case of an individual, whether the person is an undischarged bankrupt or is the subject of any bankruptcy proceedings, and in the case of a legal person, whether it is in liquidation or is the subject of a winding up order, or there is a receiver appointed in relation to it); (c) whether the person has failed to comply, or, in the opinion of the Authority, may be unable to comply, any other applicable legal or regulatory requirements; and/or (d) whether the person has been convicted, in Hong Kong or elsewhere, of an offence for which it was necessary to find that the person had acted fraudulently, corruptly or dishonestly.

(v) Complaint Handling

A course provider must set up a complaint handling mechanism which clearly indicates the available channels for course participants to file their complaints relating to the CEF Course, timeline for handling complaints and procedures for reporting back the follow-up actions to the complainants. The details of such mechanism should be easily accessible by learners and provided to them in writing upon request. A course provider must also maintain a complaint log and keep the documents concerned for inspection upon request.

A course provider shall encourage all course participants to report to the course provider through the complaint handling mechanism any act or activity relating to the CEF Course(s) it offers that is suspected to have contravened any National Security Law or to be contrary to the interest of national security. The course provider shall ensure the complaint handling mechanism promptly receives and notifies the responsible party(ies) of the course provider of such report. The course provider shall also immediately report to the relevant law enforcement agencies upon receipt of any such complaint or report.

(vi) Learner Records and Documentation Management

A course provider must have effective systems and procedures in place to ensure integrity, security, accuracy and currency of their records.

(vii) Capability of Compliance

Routes and Procedures for Applications

- 2.2 There are two routes for course providers to apply for registering their courses under the CEF, namely (a) Registration of CEF Course cum HKCAAVQ Accreditation; and (b) Registration of CEF Course subsequent to HKCAAVQ Accreditation.
- 2.3 **Registration of CEF Course cum HKCAAVQ Accreditation** – Course providers may apply for registration of CEF Courses with its application for HKCAAVQ accreditation (for Initial Evaluation (IE) and/or Learning Programme Accreditation (LPA)) in one go. They are required to submit to HKCAAVQ via HKCAAVQ e-Portal (a) an *Application Form for Registration / Renewal of Registration (For Non-self-accrediting Course Providers)* for registration of CEF Courses and (b) an Accreditation Document for applying for HKCAAVQ accreditation. Whilst all information requested in both application forms will still have to be completed, where the same supporting document is requested in both application forms, only one set may be submitted but not necessary in duplicate.
- 2.4 **Registration of CEF Course subsequent to HKCAAVQ Accreditation** – Course providers may apply for registration of CEF Courses after the courses have been accredited by HKCAAVQ and registered with the QR. Under this route, they are also required to submit to HKCAAVQ an *Application Form for Registration / Renewal of Registration (For Non-self-accrediting Course Providers)* via HKCAAVQ e-Portal for registration of CEF Courses.
- 2.5 Under the above two routes, HKCAAVQ would extract information on course(s) for assessing CEF registration from relevant documents and information collected by HKCAAVQ during the HKCAAVQ accreditation process such as the Accreditation Document and Accreditation Report. This would help minimise the duplication of information submitted by course providers to HKCAAVQ for the purposes of CEF registration and HKCAAVQ accreditation. A flow chart showing the different steps required under the two routes is at **Appendix 1**.

- 2.6 After the independent assessment on whether the course can register as a CEF Course according to the assessment requirements listed in paragraph 2.1 above, HKCAAVQ will pass the application together with a recommendation for each course to SLW, who is the approval authority of application for registration of CEF Courses, for consideration. LWB will notify the course provider of the result of the application in writing.
- 2.7 The *Application Form for Registration / Renewal of Registration (For Non-self-accrediting Course Providers)* which specifies the required information to be submitted in the application for registration of CEF Courses is available on the HKCAAVQ website at <http://www.hkcaavq.edu.hk>.
- 2.8 Details of HKCAAVQ accreditation can be found in the *Manual for the Four-stage Quality Assurance Process under HKQF*. The evidence required for IE and LPA is also detailed in the Evidence Guides for Accreditation. These Manual and Evidence Guides are available on the HKCAAVQ website at <http://www.hkcaavq.edu.hk>.

Additional Procedures for Applications of Eligible Online Courses

- 2.9 An additional *Assessment Form for Registering Eligible Online Courses* which specifies the required information to be submitted in the application for registration of CEF Courses is available on the HKCAAVQ website at <http://www.hkcaavq.edu.hk>.
- 2.10 A flow chart showing the additional steps required under the assessment on Eligible Online Courses is at **Appendix 2**.

Timeframe for Processing the Applications

- 2.11 For courses using the route of **Registration of CEF Course cum HKCAAVQ Accreditation**, the approval process normally takes 37 calendar days after the accredited courses have been registered on the QR subject to the availability of all required information. For courses using the route of **Registration of CEF Course subsequent to HKCAAVQ Accreditation**, the approval process normally takes 60 calendar days subject to the availability of all required information. A longer period may be required if it is necessary to clarify and request further information from the course provider.
- 2.12 HKCAAVQ will only process an application after the relevant fee is settled.

Outcomes of the Applications

- 2.13 LWB will determine whether the course is suitable for registration under the CEF taking into account the recommendation of HKCAAVQ. The possible outcomes of an application for registration of CEF Courses are:
- Approval
 - Conditional approval – approval is subject to the fulfilment of conditions imposed by LWB
 - Non-approval with reasons

The validity period of all CEF Courses will be four years, commencing from and including the date of SLW's letter to the course provider approving the registration or renewal of registration of the CEF Course provided or operated by the course provider as a reimbursable course under the CEF, and expiring on and including the earliest of the following dates: (i) the date on which the CEF Course is de-registered or suspended under the CEF Terms; (ii) the date on which the registration of the CEF Course on the QR registration ceases to have effect; (iii) the date on which the CEF Registration is otherwise terminated under any of the CEF Terms; and (iv) the end date of the validity period specified in the Letter of Approval.

Objections to the Assessment

- 2.14 If a course provider feels aggrieved by the assessment outcome, he or she may raise an objection containing sufficient information concerning the alleged grounds for its objection to the assessment to SLW in writing within 45 calendar days after the date of the notice of assessment.
- 2.15 Provided the objection contains all relevant information, an officer who is at least one rank higher than the one who made the decision will personally examine the objection submitted by the course provider and inform the course provider of the decision in writing within 90 calendar days from the date of receipt of the written objection. Objections not raised in accordance with paragraph 2.13 above will not be considered.

Fee Schedule – Fees Payable to HKCAAVQ

- 2.16 An application for CEF Registration may cover more than one course. The CEF assessment fee is HK\$500 per course regardless of the routes of application. The assessment fee paid is normally non-refundable. In addition to CEF assessment fee, a course provider is required to pay an accreditation fee for HKCAAVQ accreditation if the course has not been accredited / re-accredited and fee for being listed on the QR. Fees for seeking HKCAAVQ accreditation can be found on the HKCAAVQ website at <http://www.hkcaavq.edu.hk>.

3. Post-registration

Proforma Terms and Conditions

- 3.1 Upon obtaining the approval of the Authority in relation to registration (or renewal of registration) as CEF Courses, course providers are required to observe the terms and conditions collectively referred to as the “CEF Terms” as defined in the Letter of Approval issued by LWB including those terms and conditions in the CEF Proforma enclosed in the Letter of Approval. References to “CEF Terms” throughout this Guide shall have the same meaning as specified in the aforesaid Letter of Approval. The CEF Proforma to be set out in the Letter of Approval are attached to this Guide (**Appendix 3**). The Authority reserves all rights to from time to time make changes to the CEF Terms including this Guide and the terms and conditions set out in the Letter of Approval.

Requirements from the Office of the Continuing Education Fund (OCEF)

- 3.2 The OCEF under the Working Family and Student Financial Assistance Agency is responsible for processing applications from eligible CEF applicants for reimbursement of tuition fees they paid for attending courses registered as CEF Courses, subject to the ceiling and co-payment ratios of tuition fees specified in paragraph 1.4(xiv) above. Course providers are required to observe the following requirements from OCEF:
- (i) Course providers will be required to certify on the application form submitted by a CEF applicant in respect of the particulars concerning the CEF applicant, tuition fees paid, commencement and completion dates of the course, etc. Course providers should also submit a specimen of their stamp chop to OCEF for record and verification purposes.
 - (ii) To facilitate OCEF’s vetting during the reimbursement stage, course providers must state on each of the tuition fee receipts the date of payment received and the commencement date of the course concerned. Course providers are also required to certify on the Application Form that (a) the CEF applicant concerned has successfully completed the course by attending at least 70% of the total contact hours of the course (or such higher attendance requirement as prescribed for the course, **whichever applicable**); and (b) the CEF applicant concerned has met the CEF reimbursement requirement for the course as assessed by whichever method approved by SLW (including any examination and/ or assignment, based on approved weighting), i.e. either 50% or such higher overall passing mark or grade equivalent as prescribed for the course, **whichever applicable**; and (c) the information submitted by the CEF applicant in respect of the course title, actual amount of tuition fees paid, date of 1st instalment of tuition fee paid, course commencement date and completion date is correct and complete. Course providers should issue documentary proof (please refer to footnotes 13 & 21 above) to CEF applicants on their successful completion of the course.
 - (iii) To verify the correctness and completeness of information submitted by CEF applicants in support of applications for reimbursement, OCEF will from time to time conduct inspections of the course participants’ tuition fees payment, attendance and completion of course records maintained by course providers. OCEF may also produce a template and ask the course providers concerned to verify the applicants’ information on the template to ensure that the CEF applicants have successfully completed the course(s) / module(s) / credit(s) and the CEF applicants have not enjoyed double

subsidy/financial assistance in respect of the same course(s) under other publicly-funded financial assistance schemes. Course providers must also abide by any other conditions set by OCEF from time to time for the purpose of efficient administration of the CEF.

- (iv) Reimbursement of tuition fees from the CEF will be made in Hong Kong currency. Course providers should collect tuition fees from the CEF course participants in Hong Kong dollars or convert tuition fees collected in foreign currency to Hong Kong dollars on the tuition fee receipts.
- (v) Unless otherwise exempted in writing on behalf of SLW, course providers are required to collect tuition fees from participants of their CEF Courses by equal monthly instalments. Course providers are prohibited from collecting from such participants the tuition fees for the courses under any other payment schedule.

Accreditation Status and Registration with QR

- 3.3 Course providers must ensure that the course is operated in a manner that continuously meets the HKCAAVQ accreditation standards applicable to the accredited course and the course provider. The course must also maintain its QR registration during the CEF validity period. If the registration validity period of QR is abridged or no longer valid, the CEF registration status will automatically lapse and the course will no longer be included in the list of CEF Courses.

Seeking Approval for Amendments

- 3.4 Course providers are required to seek approval from LWB via HKCAAVQ for proposed amendment(s) to any of the specifications of the course. No amendment should be implemented before receiving the written approval from LWB. NOTE: Unauthorised change(s) made to a registered course will be considered as non-compliance with the CEF Terms. Specifications of the course are further defined in clause 7 of the CEF Proforma at **Appendix 3**.
- 3.5 Course providers can use the *Application Form for Amendment* to seek approval for amendments made to the course. If the course is accredited by HKCAAVQ and the proposed amendment constitutes substantial change to the HKCAAVQ accreditation status, prior approval from HKCAAVQ should be sought on the substantial change before submitting a CEF amendment application. Normally, HKCAAVQ will take 30 calendar days to complete an amendment application upon receipt of all necessary documents.
- 3.6 Further processing of the application by LWB will normally take 30 calendar days. A longer period may be required if it is necessary to clarify and request further information from the course provider.
- 3.7 The *Application Form for Amendment* is available on the HKCAAVQ website at <http://www.hkcaavq.edu.hk>.
- 3.8 Information on substantial change to HKCAAVQ accreditation status is available in the Guidance Notes on Substantial Change to Accreditation Status on the HKCAAVQ website at <http://www.hkcaavq.edu.hk>.

Inspections

- 3.9 As deemed necessary, post-registration onsite inspection visit(s) which may involve both surprise audit visits and scheduled inspections on classes and records kept and maintained by the course providers may be conducted by the Authority. Such exercises are to ascertain whether the course concerned continues to fulfil the CEF registration criteria, and whether the imposed conditions under the CEF Terms are fulfilled. Scheduled inspections by the Authority may involve class observations by the Authority or any person appointed by the Authority, during which the effectiveness of delivery and operation of the courses will be scrutinised. The Authority will liaise with course providers as necessary to confirm the relevant arrangements (e.g. date and time) prior to the conduct of scheduled inspections. Where a course is registered as an Eligible Online Course, the aforementioned surprise audit visits and scheduled inspections may be conducted online. Course providers may be required by the Authority to provide ready access and/or access upon request to relevant platforms for such purpose.
- 3.10 To facilitate the conduct of post-registration onsite inspection visit(s), course providers must keep full and complete records for seven years as stipulated in the CEF Proforma (clause 5 of **Appendix 3**) and documents to demonstrate that the CEF Course is continuously monitored and reviewed for quality assurance purpose. Where a course is registered as an Eligible Online Course, the course provider shall maintain the aforementioned records in such manner and format as prescribed by the Authority and should provide their officers with access to relevant record keeping system upon request.

Non-compliance with CEF Terms

- 3.11 The Authority may take regulatory actions including warnings, reprimands, suspension and de-registration against non-compliance with the CEF Terms commensurate with the severity of the non-compliance event. For details, please refer to **Annex II to Appendix 3**.
- 3.12 Where criminal proceedings have commenced against the course provider or its Responsible Person or Course Director (regardless of whether the criminal proceedings relate to any CEF Courses), the Authority may suspend any or all courses conducted by the course provider from their status as CEF Courses by issuing a Notice of Suspension of Registration to the course provider. For details, please refer to **Annex II to Appendix 3**.
- 3.13 A CEF Course may be de-registered or suspended if the course provider fails to comply with any of the CEF Terms, or in other circumstances considered appropriate by the Authority. The examples of the circumstances leading to de-registration or suspension (i.e. a “non-compliance event”) and the consequences of occurrence of non-compliance event(s) are listed in **Annex II to Appendix 3**.
- 3.14 Other non-compliance events, depending on their severity, may receive a reprimand or warning in writing from the Authority to the Course provider. A warning will accrue 5 penalty points and a reprimand will accrue 10 penalty points. A reprimand will be issued where the non-compliance event may immediately hinder learners’ interest or seriously affect the processing of CEF claims or the quality or delivery of the course concerned. A course provider with accumulation of 10 penalty points within any continuous period of four years shall submit an “enhancement plan” within one month upon the written request from the Authority. Any Course with an accumulation of 25 penalty points within any continuous period of four years will be de-registered. The Authority will publish on the CEF website a list of courses which have

received a reprimand for public inspection for one year starting from the date when the objection period of the reprimand has lapsed (i.e. 30 days after the issue of the reprimand). Details about the Authorities' "Regulatory Actions" are set out in **Annex II to Appendix 3**.

4. Renewal of Registration

- 4.1 Renewal of registration of CEF Courses is required such that the CEF Courses can continue to be included in the list of CEF Courses upon expiry of the validity period.
- 4.2 The assessment requirements for renewal of CEF registration are the same as those of CEF registration (see paragraph 2.1 above).
- 4.3 Any course that has accumulated, under the Penalty Point System, 25 penalty points or more within any period of four years is not eligible for renewal of registration.
- 4.4 If a course provider was required to submit an enhancement plan due to the accumulation of 10 penalty points under the Penalty Points System since the registration of the course concerned was last approved or renewed, the course provider must demonstrate that the enhancement plan has been fully implemented, or otherwise the application of renewal may be rejected.
- 4.5 There are two routes for course providers to apply for renewal of registration of courses as CEF Courses, namely (a) Renewal of Registration before HKCAAVQ Re-accreditation; and (b) Renewal of Registration cum HKCAAVQ Re-accreditation.
- 4.6 **Renewal of Registration before HKCAAVQ Re-accreditation** – Course providers which apply for renewal of registration of CEF Courses before the expiry of validity period of the QR registration²⁶ are required to submit to HKCAAVQ an *Application Form for Registration / Renewal of Registration (For Non-self-accrediting Course Providers)* via HKCAAVQ e-Portal for seeking renewal of registration of CEF Courses.
- 4.7 **Renewal of Registration cum HKCAAVQ Re-accreditation** – Course providers which apply for renewal of registration of CEF Courses with conduct of HKCAAVQ re-accreditation (for Learning Programme Re-accreditation (Re-LPA)) in one go are required to submit to HKCAAVQ via HKCAAVQ e-Portal (a) an *Application Form for Registration / Renewal of Registration (For Non-self-accrediting Course Providers)* for renewal of registration of CEF Courses and (b) an Accreditation Document for seeking HKCAAVQ Re-accreditation. A flow chart showing the different steps required under the two routes is at **Appendix 1**.
- 4.8 For courses using the route of **Renewal of Registration before HKCAAVQ Re-accreditation**, course providers are required to apply for renewal of CEF registration at least 4 months before the expiry date of the CEF validity period of the courses. The validity period of CEF course renewal has no effect on the validity period of HKCAAVQ accreditation status. After renewal, the CEF Course has to seek HKCAAVQ re-accreditation before the expiry date of QR registration²⁷.

²⁶ This application route should only usually be applicable to courses whose QR registration validity period is longer than the CEF validity period.

²⁷ Where the course provider submits just an application for renewal of CEF registration for a course using this route, i.e. not an application for renewal of the QR registration at the same time, on condition that the QR registration is still valid at the time of any approval for the renewal of CEF registration of a course ("existing QR registration"), the CEF registration of that course will have a provisional validity period of up to four years from the date of the Letter of Approval approving the renewal of CEF registration ("CEF Renewal Letter of Approval") even if the existing QR registration will expire sooner. On the condition that the existing QR registration of that course will be renewed upon expiry ("renewed QR registration"), the validity period of the CEF registration of that course will become the shorter of the following periods: four years from the date of the CEF Renewal Letter of Approval or when the renewed QR registration expires or is earlier terminated. If there is no renewed QR registration, the validity period of the course will expire when the existing QR registration expires or is earlier terminated. Hence the validity period as mentioned in paragraph 1.4(iv) of this Guide shall be read subject to this footnote 27 for the aforesaid renewal situation. Alternatively, even if the existing QR registration is not expiring, course providers may still seek CEF renewal and HKCAAVQ re-accreditation at the same time using the "Renewal of Registration cum HKCAAVQ Re-accreditation"

- 4.9 As for courses using the route of Renewal of Registration cum HKCAAVQ Re-accreditation, course providers are required to apply for renewal of registration of CEF Courses at least 11 months before the expiry date of the QR registration validity period. Regardless of the routes of renewal, if course providers fail to complete the renewal of CEF registration by the expiry date, the CEF registration status will automatically lapse and the course will be removed from the list of CEF Courses. Subsequent registration for expired CEF Courses will be treated as new applications.

Timeframe for Processing the Applications

- 4.10 For courses using the route of **Renewal of Registration of CEF Course cum HKCAAVQ Re-Accreditation**, the approval process normally takes 37 calendar days after the re-accredited courses have been extended on the QR subject to the availability of all required information. For courses using the route of **Renewal of Registration of CEF Course before HKCAAVQ Re-Accreditation**, the approval process normally takes 60 calendar days subject to the availability of all required information. A longer period may be required if it is necessary to clarify and request further information from the course provider.
- 4.11 HKCAAVQ will only process an application after the relevant fee is settled.

Outcomes of the Applications

- 4.12 LWB will determine whether the course is suitable for renewal of registration under the CEF taking into account the recommendation of HKCAAVQ. The possible outcomes of an application for renewal of registration of CEF Courses are:
- Approval
 - Conditional approval – approval is subject to the fulfilment of conditions imposed by LWB
 - Non-approval with reasons.

The validity period of all CEF Courses will be four years, commencing from and including the date of SLW's letter to the course provider approving the registration or renewal of registration of the CEF Course provided or operated by the course provider as a reimbursable course under the CEF, and expiring on and including the earliest of the following dates: (i) the date on which the CEF Course is de-registered or suspended under the CEF Terms; (ii) the date on which the registration of the CEF Course on the QR registration ceases to have effect; (iii) the date on which the CEF Registration is otherwise terminated under any of the CEF Terms; and (iv) the end date of the validity period specified in the Letter of Approval.

Objections to the Assessment

- 4.13 If a course provider feels aggrieved by the assessment, he or she may raise an objection containing sufficient information concerning the alleged grounds for its objection to the assessment to SLW in writing within 45 calendar days after the date of the notice of assessment.

approach.

- 4.14 Provided the objection contains all relevant information, an officer who is at least one rank higher than the one who made the decision will personally examine the objection submitted by the course provider and inform the course provider of the decision in writing within 90 calendar days from the date of receipt of the written objection. Objections not raised in accordance with paragraph 4.13 above will not be considered.

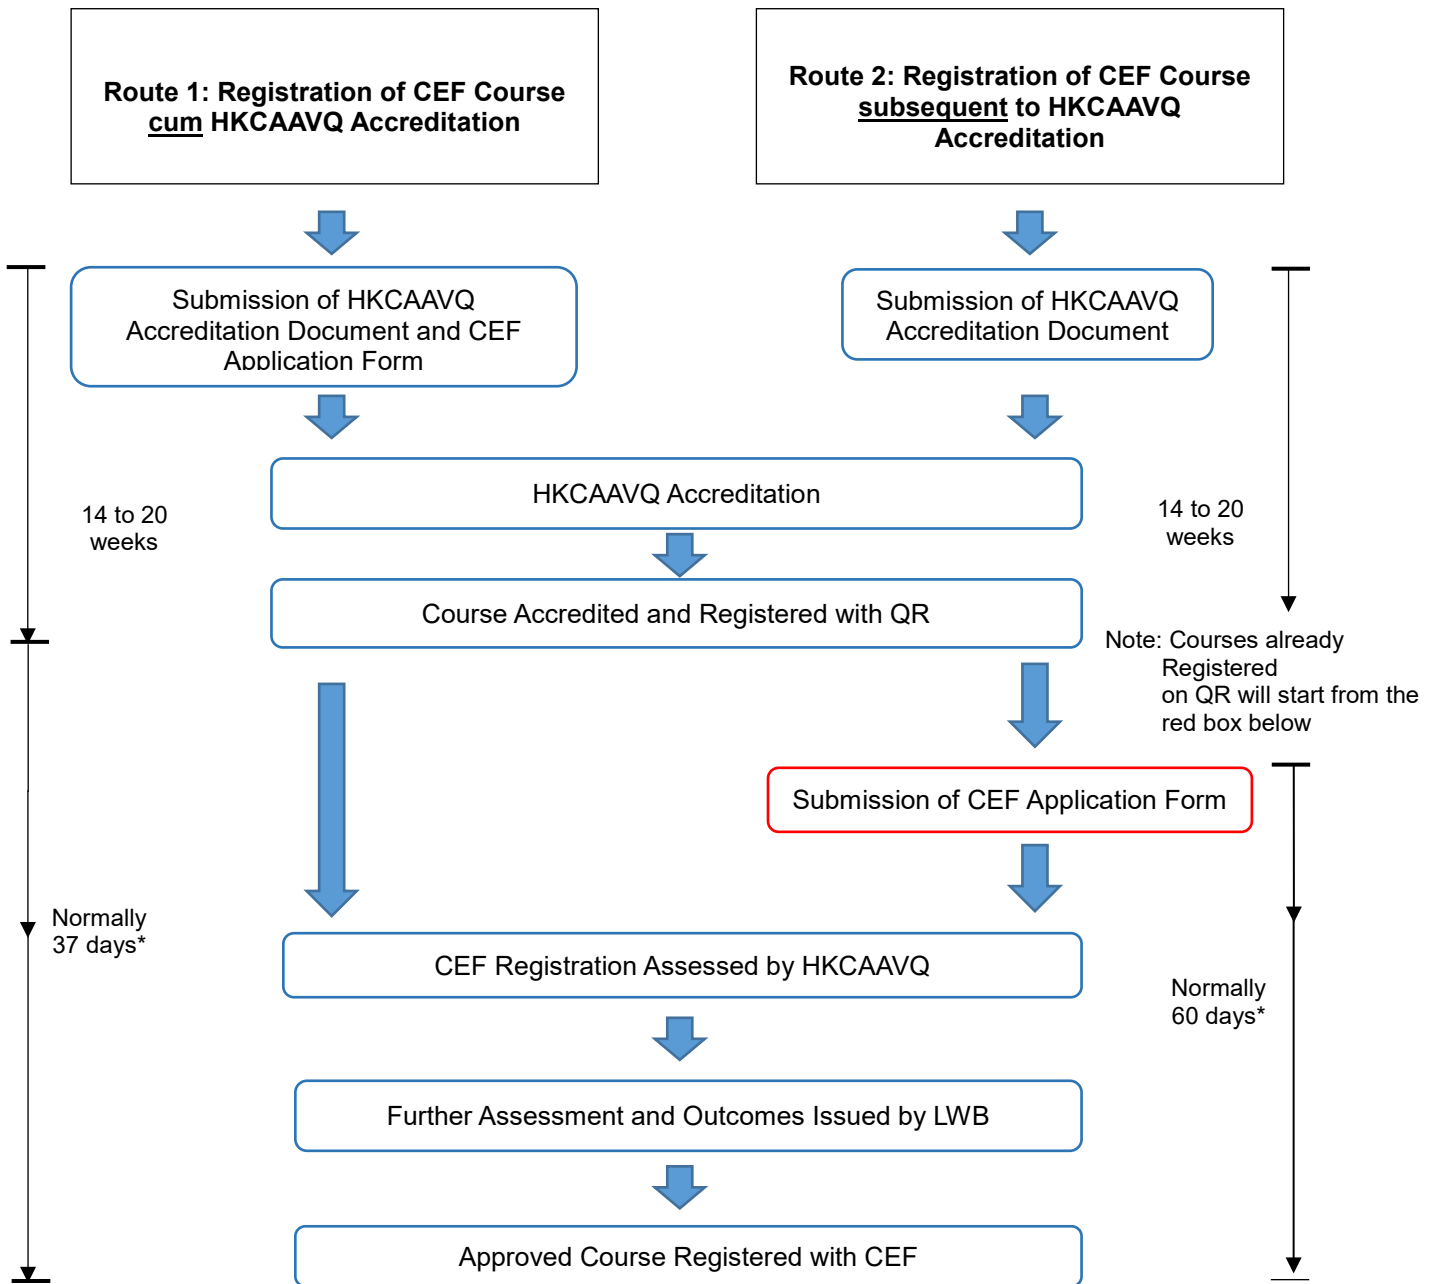

Fee Schedule – Fees Payable to HKCAAVQ

- 4.15 An application for renewal of CEF registration may contain more than one course. The CEF assessment fee is HK\$500 per course regardless the routes of application. The CEF assessment fee paid is normally non-refundable. In addition to CEF assessment fee, a course provider is required to pay an HKCAAVQ re-accreditation fee if the course has not been re-accredited and uploaded onto the QR. Fees for seeking HKCAAVQ re-accreditation can be found on the HKCAAVQ website at <http://www.hkcaavq.edu.hk>.

Ongoing Compliance

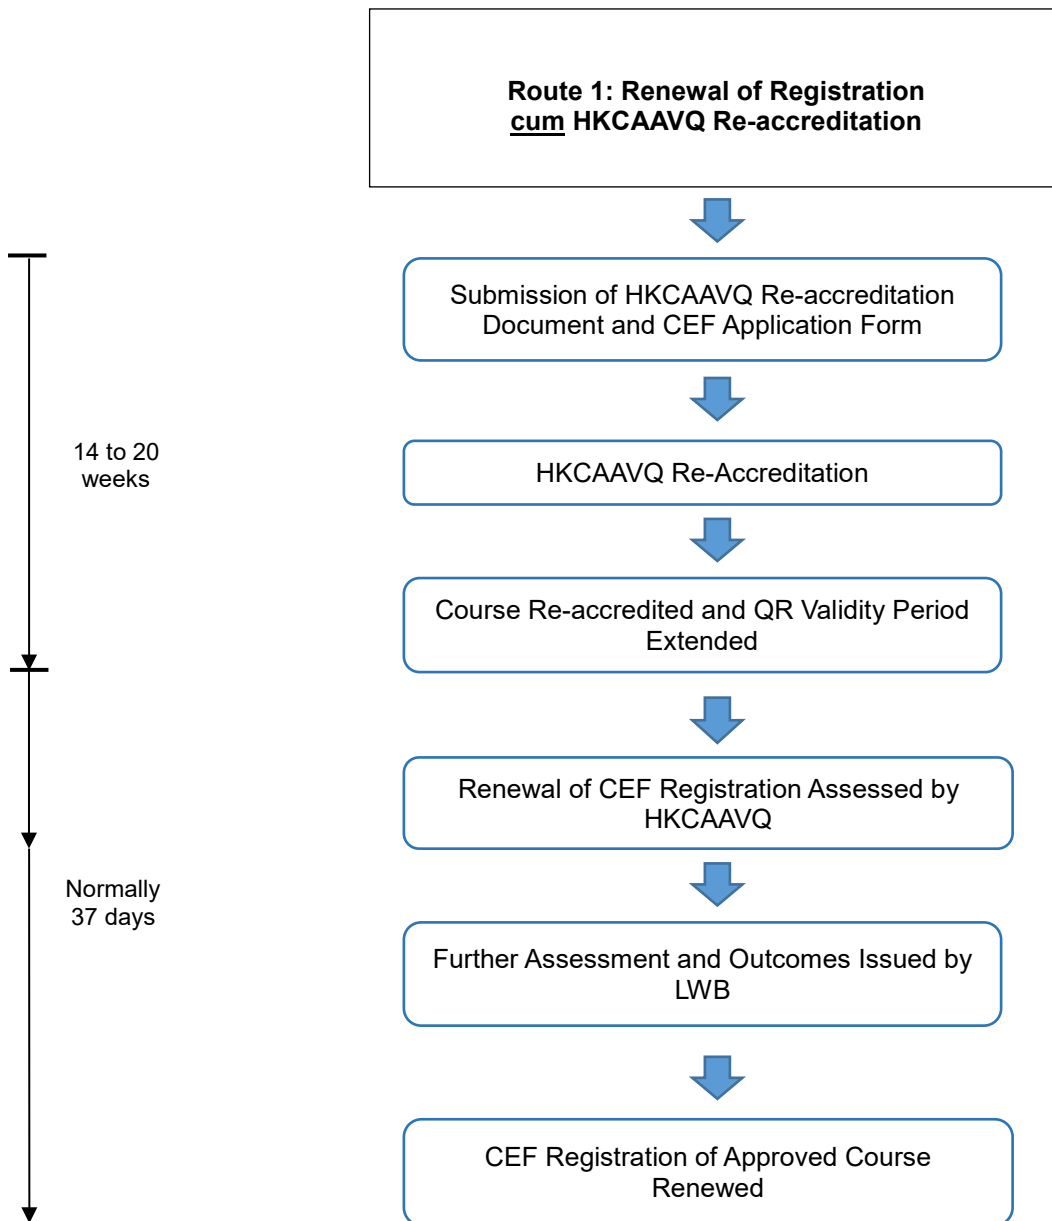

- 4.16 Course providers must ensure that CEF Courses continue to comply with the relevant requirements stated in Section 3 above during the post-registration stage.

A course director shall be responsible for managing the delivery of CEF Courses. You shall not remove or replace any course director appointed pursuant to this paragraph without the prior written approval of the SLW.
- 3a. For the avoidance of doubt, the CEF Registration of a CEF Course shall expire at the same time as the expiry of the Validity Period. Course providers should not commence any new classes as reimbursable CEF Courses under the CEF or promote these classes as eligible for reimbursement under the CEF once the Validity Period expires. You are solely accountable for the possible disruption of any course commencement due to late submission of renewal application. You shall continue to run classes of the CEF Courses which have commenced before the date of expiry of the Validity Period for CEF course participants until completion for those CEF course participants who have enrolled prior to such date.
- 3b. In the case when the QR registration of the CEF Course has expired earlier than originally scheduled and is due to the occurrence of any default or event causing the QR registration to be earlier terminated (viz similar to the de-registration of the CEF Registration as contemplated in Annex II to the CEF Proforma), the CEF Registration of the Course will be discontinued and the CEF Course will no longer be included in the list of reimbursable Courses under the CEF on the same day. In addition, the consequences following from such termination are the same as those stated in paragraph 14 of Annex II to the CEF Proforma as in the case of a Formal De-registration save that paragraph 14(g) shall not apply and references therein to Formal De-registration shall mean termination of the QR registration. If the CEF Registration of a CEF Course expires by the above mentioned reason of a premature termination of its QR registration, the Course shall immediately cease to be a CEF Course and be removed from the list of reimbursable CEF Courses. In such event, the Course is deemed to be de-registered under Annex II to the CEF Proforma by way of Formal De-registration. In the case that an appeal against the decision of the abridgement of the QR registration under the Accreditation of Academic and Vocational Qualifications Ordinance (Cap. 592) overturns the original decision and resumes the relevant QR registration, LWB may consider resuming the CEF Registration of the Course upon written request by the course provider.

4. You must take all reasonable steps to ensure all premises are safe for the purpose of delivering the Course and adequate protection has been taken against all risks including fire and building safety risks. You shall maintain and renew upon expiry of adequate insurance to be written by authorised insurers (within the meaning of that term as set out in the Insurance Ordinance (Cap. 41)) to cover against liabilities arising from deaths and personal injuries of participants of the Course and other persons in the premises where the Course is held and during related out-of-classroom activities delivered within or outside of Hong Kong (if any). Please also take note that the Registration does not exempt you from compliance with all relevant statutory requirements applicable to the Course. You should well acquaint yourself, your employees, agent, consultant or sub-contractor with and conform in all respects to the provisions of any legislation and regulation applicable to the provision of the Course.

5. You shall keep record (in hardcopy and/or in softcopy and/or computer log or in any other electronic format) since the date the relevant record is generated and until seven years after completion of the class(es) concerned of the following in respect of the Course, which should be produced for inspection, and duplicating or photocopying, by the Authorities from time to time upon request:
 - (a) Evidence of each CEF course participant's compliance with the admission requirements;
 - (b) Teaching materials;
 - (c) Marked assignment completed by each CEF course participant;
 - (d) Assessment results achieved by each CEF course participant;
 - (e) Enrolment by each CEF course participant;
 - (f) Attendance records of the CEF course participants of each class of the Course signed off by the Course Instructors / a delegate of the course provider/ administrative staff (including record to show that the CEF course participants having logged in to the relevant online system for attending the Course to be delivered online);
 - (g) Receipts of payment of tuition fees and other monies made by each CEF course participant as well as acknowledgement of receipt of refunds and rebates of the tuition fees of courses with teaching and learning activities conducted in online mode and recognised under the CEF ("**Eligible Online Courses**") to CEF course participants;
 - (h) Course brochure/leaflet, promotion/publicity materials and a log on the distribution of such materials (including the distribution channel(s) adopted, the duration of distribution, etc.);
 - (i) End of Course evaluation forms completed by each CEF course participant;
 - (j) Record of all recruitment agent(s) or sub-contractor(s) appointed to recruit participants for the CEF Course;
 - (k) Statements signed by CEF course participants in relation to clauses 17 and 19 below;
 - (l) Complaint log and documents in relation to the complaints received; and
 - (m) Such other records mentioned in other parts of the CEF Terms.

6. You must fully cooperate with the officers of the Authorities and promptly provide all other information and documents which any one of them may from time to time request for inspection and duplicating or photocopying or otherwise for the purposes of administration of the CEF.
7. You shall not effect any change to the Course specifications of a CEF Course throughout the Validity Period of the CEF Course and thereafter up to the completion of all classes which are scheduled to commence before the date of expiry of the Validity Period. Without prejudice to the generality of the foregoing, no changes may be made during the aforesaid period to Course title, contact hours, contents, admission requirements, the responsible person/ course directors / Course Instructors /presenters, assessment requirements, venue, mode of delivery, any licensing, partnership or collaboration arrangement, prescribed passing marks and minimum attendance requirement, tuition fees and other monies payable by CEF course participants without the prior written approval of SLW. Please note that any changes to the specifications of a CEF Course without prior approval is regarded as a non-compliance with CEF Terms and may lead to de-registration or other regulatory actions. You should also inform SLW of any unilateral suspension, cancellation or discontinuation of any CEF Course on your part. In general, applications for retrospective amendments will not be considered, unless in very exceptional circumstances with extremely strong justifications submitted within a reasonable timeframe after the changes have taken effect. In any case, the Authority reserves the right to take action against the unauthorised change even if exceptional retrospective approval were to be granted. You should also note that the refund policy in Annex I to the CEF Proforma may apply as and when appropriate. Nothing herein shall be construed to prejudice the Authorities' power to amend, revise or replace the documents mentioned in clause 1(a) to (e) from time to time. Unless otherwise expressly specified, any approval for any amendment of CEF course(s) which may be given on behalf of SLW should not be construed as a subsequent Letter of Approval for the purposes of determining the Validity Period of a Course.
8. To avoid confusion to the public, promotion of a CEF Course as CEF reimbursable and any enrolment of course participant(s) to the CEF Course should only start after the receipt of the Letter of Approval of the CEF Course. For renewal application, the promotion and enrolment of those classes of the renewal Course which are to commence after the original validity period of the Course should only start after the receipt of the Letter of Approval for that renewal application.
9. Without prejudice to the generality of clause 26(f) below, you shall comply with all the CEF Terms including the requirements set out in paragraph 3.2 of the Registration Guide and such other requirements and directions from time to time issued by the OCEF concerning the reimbursement by the Government of tuition fees and other monies (or such part thereof) paid by participants of a CEF Course. You agree to the disclosure of the names of your institution as well as your CEF Courses and record of your non-compliance with the CEF Terms to be promulgated on the CEF website or other channels for reference by the public and learners.

10. While a course provider is, upon approval (as stated in the CEF Course information attached to the Letter of Approval, where applicable), allowed to include activities of a CEF Course that are delivered outside of Hong Kong, the CEF Course tuition fees must only cover the part of the CEF Course that is delivered in Hong Kong and such activities outside of Hong Kong should be charged separately from the tuition fees. The tuition fees should not cover other expenses, including any materials not reasonably necessary for the purpose of or incidental to the delivery of CEF Course. SLW will be the final arbitrator in this regard as to whether certain proposed expense(s) qualifies as such and may or may not be covered in the tuition fees. The course provider may from time to time be requested to provide information concerning the charging for SLW's determination. You should ensure that all Course participants are well informed that only the tuition fees as defined above is reimbursable under CEF subject to all applicable restrictions and caps under the CEF Terms.
11. You shall not make or give any gifts, discount, rebates or any other concession or financial inducements of whatsoever form to participants of any CEF Course whether before or after they have enrolled to the CEF Course, or to employers of the participants or any other person in return for such employers or person requiring or inducing participants to apply for the CEF Course.
12. Any form of splitting or sharing of the fees payable by the CEF course participants (including tuition fees and/or other monies) by you, with the CEF course participants, or with the employers of the CEF course participants, or with any other person, in return for such CEF course participants applying to enrol to any CEF Course or attending the CEF Course, or the employers or person of such CEF course participants inducing or requiring the CEF course participants attending the CEF Course, is strictly prohibited.
- 12a. Notwithstanding clauses 11 and 12 above, you shall provide a rebate to CEF course participants who have completed an Eligible Online Course offered by you in accordance with Annex III to the CEF Proforma.
13. Notwithstanding clauses 11 and 12 above, you may hire an agent or sub-contractor to recruit participants for a CEF Course in return for a commission payable by you to that agent or sub-contractor provided that (a) (to the extent applicable) the CEF Terms shall be observed by the agent(s) or sub-contractor(s) as if they were the course provider (including without limitation to clauses 11 and 12 above), and (b) in addition to the foregoing, you shall be responsible for all acts and omissions of the agent(s) or sub-contractor(s) as if they were your own. You are required to keep a proper record of all recruitment agent(s) or sub-contractor(s) appointed by you for this purpose for the checking by the Authorities. Your agent or sub-contractor must state clearly in its promotion materials/channels that it is engaged by you. Notwithstanding the foregoing, engagement of CEF course participants as recruitment agents is strictly prohibited.
14. In the event that you are found to be in breach of clause 10, 11, 12, 13, 30, 31 or 32, without prejudice to any regulatory action that the Government may take under

Annex II herein and to other rights and claims of the Government against you and other parties, you shall, upon the first written demand of LWB, account to the Government the full amount paid by the Government to CEF course participants as reimbursement of all or any part of the tuition fees which they have paid you for the Course to which the breach relates.

“本課程 / 本單元所屬之主體課程(資歷名稱)在資歷架構下獲得認可(資歷架構第[]級)”

16. You shall also comply with the requirement on publication of advertisement under the Guidelines for Advertisements relating to the Qualifications Framework (“QF”), including but not limited to accurately depict the QR registration number and validity period of the relevant QR entry. You should inform LWB immediately when there is any change in the QR status, including but not limited to the QR registration number and validity period.
17. You shall not operate or promote the CEF Courses with other non-CEF courses/programmes/modules offered by your institution or other institution(s) (or give a reasonable person the impression that the CEF Course is part of a package of other non-CEF courses) unless LWB has given prior written approval to you that the course registered under the CEF may become part of a full programme which is not registered under the CEF. Even if approval is granted, you should provide to the course participants the information in writing on which part of the full programme is eligible for CEF reimbursement, and remind them that they are not obliged to take the full programme for the purpose of CEF reimbursement.
18. You shall ensure all promotion materials of CEF Courses comply with the CEF Terms and in line with the objectives of CEF in encouraging local workers to pursue further education by providing them with subsidies for continuing education and training, with a view to facilitating Hong Kong’s transition to a knowledge-based economy and adaptation to an increasingly globalized economy.

Every course participant should also sign a statement of acknowledgement on the arrangement as stated in paragraph 14(j) of Annex II to the CEF Proforma at the time of enrolment.

20. Save to the extent permitted under clause 15 above, you shall not advertise, or hold yourself out as an agent, employee, servant, representative or partner, of the Government; nor imply that the Government is in any way responsible for your acts and/or omissions. LWB shall be entitled to require you to withdraw or cease using any promotional materials which it considers to be inappropriate or undesirable. In particular, unless otherwise permitted under clause 17 above, you may only promote the Course using the course title, in English and/or Chinese, as listed in the Letter of Approval.
21. Where a CEF Course is a language proficiency course, you should ensure that CEF course participants are informed of the requirements set out in the “Continuing Education Fund Guidance Notes for Application [SFO 312]”, in particular the requirement to attend benchmark test (where applicable as stated in the CEF Course information attached to the Letter of Approval). The requirement shall be notified to CEF course participants at the time of enrolment and be fulfilled before they make application for tuition fees reimbursement under the CEF.

for reimbursement from the Government. Such documentary proof may include a certificate of award, a letter or a transcript from you certifying that the CEF course participants have attended the CEF Course for the prescribed minimum contact hours and the assessment result which has passed the prescribed assessment of the CEF Course on a specified date of Course completion. You shall also assist the CEF course participants to certify the above facts in their application forms submitted to the OCEF for reimbursement.

The details of such mechanism should be easily accessible by all course participants and be provided to all course

The Authority will vet the enhancement plans and approve such plans in writing upon her satisfaction of the plans, or ask for revisions to that Authority's satisfaction. The Authority will also conduct subsequent compliance inspections. An application for renewal of CEF registration of the Course concerned will only be considered if the inspections reflect the full implementation of the approved enhancement plans (or otherwise fully completed of what is due to be completed up to

² Examples of events include, but not limited to, unregistered reduction in contact hours of more than 10%, unregistered change in course content and stating of false or misleading information in publicity materials.

the time of the application for renewal) and the complete rectification of the non-compliance with no recurrence. Any Course with an accumulation of 25 penalty points within any continuous period of four years will be de-registered pursuant to paragraph 1(c) above. In any event, any application for renewal of CEF registration of the Course will not be considered.

4. The counting of warning(s) and reprimand(s) is Course-based. One non-compliance event in relation to one Course shall trigger the issue of one reprimand or one warning in respect of the Course depending on the type of the relevant non-compliance event. Where a single non-compliance event implicates more than one Course, warning(s) and reprimand(s) may be issued in respect of every Course implicated. A non-compliance event that is not duly rectified or repeated occurrences of the same type of non-compliance event may lead to suspension, de-registration or other regulatory actions to Course provided by the course provider.

Performance Monitoring List

5. The Authority will publish on the CEF website a list of Courses (the Performance Monitoring List or “PML”) which have received a reprimand for public inspection for a period of one year starting from the date when the objection period of the reprimand has lapsed (i.e. 15 days after the issue of the reprimand and regardless of whether there is any objection) (“One Year Period”). Where there is an objection within the objection period, a remark will be inserted into the PML to this effect. Where the objection is found not valid in the manner mentioned in paragraph 18 below, the Course will remain in the PML with the remark removed. For avoidance of doubt, in the absence of other regulatory actions, a Course listed on the PML remains as a CEF reimbursable Course.
6. The listed Course will be removed from the PML after the One Year Period only if:-
 - (a) the non-compliance event(s) which triggers the reprimand concerned has been rectified; and
 - (b) no additional reprimand has been issued during the One Year Period.
7. If the listed Course further receives one or more additional reprimand(s) (whether or not the reprimand(s) is related to the same type of non-compliance event(s) identified in the previous reprimand(s), without prejudice to the powers of the SLW to de-register or suspend the Course as specified above, the Course will be put on the PML for an extended period of one additional year after the expiry of the first (or any other subsequent) One Year Period.

Procedures

De-registration

8. If any of the events described in paragraph 1(a) to (g) arises in respect of a CEF Course, an officer acting for SLW will notify the course provider in writing that SLW may be

mind to de-register the relevant Course as a CEF Course (“**Notice of Intention to De-register**”) by fax and/or email and by registered post sent to the address of the course provider that is last known by the Government. Normally speaking, the course provider will be allowed no less than 7 calendar days following the date of the Notice of Intention to De-register to make written representations to SLW before a final decision is made by SLW or an officer acting for SLW whether or not to de-register the relevant Course. If SLW or the officer finally decides to de-register the relevant Course as a CEF reimbursable course (“**Formal De-registration**” or “**de-registration**”), a written notice will be issued to the course provider by fax and/or email and by registered post sent to the aforementioned address of the course provider (“**Notice of De-registration**”). Any decision made by SLW or the officer shall be final and binding on the course provider. LWB will announce an intention to de-register a Course through appropriate channels including the CEF website. Formal De-registration will be announced in similar manner. A press release will be issued to inform the public of Formal De-registration of a relevant Course.

Suspension

9. SLW may, by a Notice of Suspension of Registration issued to a course provider by an officer acting for SLW, suspend all or any of the Courses from their status as CEF Courses if:
 - (a) the Police and/or the Law Enforcement Agencies has/have commenced any investigation on the course provider, any of the responsible persons, course directors, Course Instructors and any of its employees, agents or sub-contractors who is involved in the management, operation or delivery of the CEF Course(s);
 - (b) the course provider is suspected to have failed to comply with any provision of the CEF Terms;
 - (c) any of the Authorities reasonably considers it is in the interests of safeguarding national security that a Course be suspended;
 - (d) criminal proceedings, whether in Hong Kong or elsewhere, have been commenced against the course provider, or any one of its responsible persons, course directors, the Course Instructors, employees, agents and sub-contractors in respect of the relevant Course; or
 - (e) any of the Authorities reasonably believes that the course provider, or any one of its responsible persons, course directors, the Course Instructors, employees, agents and sub-contractors in respect of the relevant Course has engaged in any conduct which is contrary to the interests of national security or casts doubt on its/his integrity or honesty.
10. In addition, if any of the events specified in paragraph 1(a) – (g) above occurs, in lieu of immediate issue of a Notice of Intention to De-register, the officer acting for SLW may, by a Notice of Suspension of Registration issued to the course provider, elect to suspend all or any of the Courses pending further development or resolution or

adjudication on any appeal of any matter which the officer may consider necessary based on the specific circumstances of the case. However, it should be stressed that suspension is not as of right before there is any issue of Notice of Intention to De-register if the ground for de-registration is clear and established to the satisfaction of the officer acting for SLW. De-registration can still happen even if any relevant proceedings are subject to appeal or not yet completed, and regardless of the nature of any such proceedings or appeal.

11. The suspension of all or any of the Courses as specified in the Notice of Suspension of Registration (“Suspended Courses”) may be announced through appropriate channels including the CEF website and press release. As and when LWB considers that the circumstances so warrant depending on the ground for the suspension, LWB will proceed to de-register all Suspended Courses by notice in writing to the course provider. Such de-registration shall be processed as a Formal De-registration mentioned in paragraph 8 above. On the other hand, under those circumstances where LWB considers that the suspension of the Courses should be lifted, (for example where the course provider, responsible person or course director is acquitted in the relevant criminal proceedings, and such acquittal is not subject to any appeal), LWB may reconsider lifting the suspension. If a suspension is lifted, the Government will not be liable for any loss, damage or claims that a course provider may suffer or incur due to a suspension of a Course. The Government shall not be liable to pay any compensation to any person whomsoever (including the course provider). A lifting of suspension will be announced through appropriate channels including the CEF website and press release.

Reprimand and Warning

12. Where it is considered necessary to issue a reprimand or warning to the course provider in relation to one or more or all Course(s) provided by that course provider, the Authority will notify the course provider of its intention to do so by fax and/or email and by registered post. The course provider will be allowed no less than 7 calendar days following the written notification to make written representations to the Authority before a final decision is made by the Authority concerning the proposed issuance of reprimand / warning and notified to the course provider by fax and/or email and by registered post.
13. Where the Authority issues a reprimand or warning, unless the course provider lodges an objection under paragraph 18 below, the course provider concerned shall immediately take actions to rectify the non-compliance and to take such actions as may be specified in the written notice of reprimand or warning within a period of 14 days or such other period as may be specified in the reprimand or warning.

Indemnity and follow-up

De-registration or Suspension

14. Immediately upon the issuance of Notice of Intention of De-register or Notice of Suspension of a Course:

- (a) no subsidy of whatsoever form will be made available by the Government or out of the CEF to the participants of the Course who have enrolled to the de-registered or suspended course anytime on or after the date of the issue of the Notice of Intention to De-register or Notice of Suspension of Registration, including but not limited to subsidy in the form of reimbursement of the fees paid by participants for the de-registered or suspended course;
- (b) the course provider shall indemnify the Government in accordance with the indemnity clause contained in the CEF Proforma from and against all losses and claims arising from the Formal De-registration or suspension;
- (c) the Government shall not be liable or responsible for all and any claim, action, proceeding, loss or damage (including any pecuniary loss, economic loss or loss of profit) which may be suffered or incurred by the course provider, participant of the de-registered or suspended course, or any other person arising from the de-registration or suspension of Registration (even if any decision concerning any proposed de-registration or suspension may eventually be lifted);
- (d) the course provider shall provide to the Government all such information and documents as the Government may request in connection with the Course(s) which has been de-registered or suspended;
- (e) the course provider shall cease accepting any new applications to participate in the de-registered or suspended course as a CEF Course and shall not promote the de-registered or suspended course as a CEF Course;
- (f) LWB shall withdraw particulars of the de-registered or suspended course from the list of the reimbursable Courses under the CEF as published on the CEF website. In the event of a suspension, particulars of the Course will be reinstated if the suspension is withdrawn;
- (g) on Formal Deregistration of the Course, LWB will not during the period of one year commencing from the date of the Formal De-registration, consider any application submitted by the course provider applying for Registration of the de-registered or suspended course(s) as CEF Courses, regardless whether the application is lodged before or after the date of De-registration. Similarly, on suspension of the Course, LWB will not during the period where a suspension is in force, consider any application submitted by the course provider applying for Registration of the de-registered or suspended course(s) as CEF Courses, regardless whether the application is lodged before or after the date of suspension;
- (h) the course provider shall within one month after the date of Formal De-registration or suspension of Registration refund in full to the CEF course participants who have enrolled to classes of the de-registered or suspended course that are scheduled to commence on or after the date of issue of the Notice of Intention to De-registration or Notice of Suspension of Registration (as the

case may be), regardless of the date of their enrolment, all tuition fees and other monies paid by them (whether or not CEF reimbursable). The Refund Procedures mentioned in Section B of Annex I should be followed in making refund to CEF course participants;

- (i) the course provider shall continue to run classes of the de-registered or suspended course which have commenced before the date of Notice of Intention to De-register or Notice of Suspension of Registration until the scheduled dates of completion of the classes of the de-registered or suspended course but the course provider shall cease to accept any CEF course participants of the de-registered or suspended course or commence any new classes for the de-registered or suspended course as a course registered for the purpose of CEF on or after the date of the Notice of Intention to De-register or Notice of Suspension of Registration (as the case may be); and
- (j) the course provider shall inform all affected CEF course participants about LWB's decision to de-register or suspend the Course. The course provider shall provide existing course participants the option to withdraw from the de-registered or suspended course and refund in full unconditionally (in respect of any period of the de-registered or suspended course which has been paid but not completed) the tuition fees and other monies collected to CEF course participants within one month after (i) the date of issue of the Notice of Intention to De-registration or Notice of Suspension of Registration; or (ii) the CEF course participants have requested for refund of tuition fees, whichever is earlier. The course provider shall inform course participants that they are not entitled to CEF reimbursement claims upon completion of such de-registered or suspended Course.

15. All responsible persons and course directors of de-registered or suspended courses, and all directors, shareholders, partners and sole proprietors of the course provider of such the de-registered or suspended course (at the time of the event leading to the de-registration or suspension or any time after) may be disqualified from acting as responsible person or course directors whether for the same course provider or for a different course provider for one year commencing from the date of Formal De-registration or during the period where a suspension is in force.

Provided that sufficient information has been provided, an officer who is at least at one rank higher than the one issuing the reprimand or warning of the same Authority or different Authority will personally examine the objection submitted by the course provider and inform the course provider of the decision in writing within 30 calendar days from the date of receipt of the written objection raised by the course provider. Where no or insufficient information has been provided in the objection, it will not be processed. Objections not raised in accordance with this paragraph will not be considered. Where (a) there is no objection within the objection period or any objection not having been raised in accordance with this paragraph; or (b) the decision of the higher-ranking officer as aforementioned is that the objection raised by the course provider is not valid and that the reprimand or warning should stay in effect, the course provider shall at the latest remedy the non-compliance specified in the written notice of reprimand or warning within 14 days or such other period as may be specified in the written notice of reprimand or warning counting from the time of expiry of the objection period. The reprimand or warning will not be revoked and remain in effect for all purposes.

ANNEX III – REBATE POLICY FOR ELIGIBLE ONLINE COURSES

A. Rebate Policies

1. If the Course has been registered as Eligible Online Course under the CEF, the course provider shall provide a rebate equivalent to 10% of the tuition fee of the Course (subject to a ceiling of \$1,500) to all CEF course participants who have successfully completed the Eligible Online Course. An Eligible Online Course refers to a course meeting the additional requirements set out in the Guide to Registration, Post-registration and Renewal of Reimbursable Courses under the CEF (operated by Local Self-accrediting and Non-self-accrediting Course Providers). Rebate refers to the above-specified amount being 10% of the tuition fee of the Course from the course provider to the CEF course participants subject to the aforesaid ceiling. The amount of tuition fee based on which the subsidy amount is calculated shall be adopted for the calculation of the rebate. All course participants who have successfully completed the Eligible Online Course registered under the CEF and have successfully applied for CEF reimbursement, whether in part or in full, from the Government, are eligible for the rebate.
2. The course provider shall provide a rebate to the eligible CEF course participants in a one-off manner and in full within three months after the CEF course participants have submitted the request for rebate presenting all necessary documentary proof.
3. The course provider shall set up the rebate procedures for Eligible Online Course which clearly indicate the channels and requirements for all course participants to submit their request for rebate relating to the Course, the timeline for handling the requests and channels for providing the rebate to the course participants. Details of such procedures should be easily accessible by all course participants and provided to all course participants in writing before completion of the Course.

B. Rebate Procedures

1. The rebate arrangement specified under this Annex shall form part of the terms and conditions for the provision of the Course by the course provider to all CEF course participants, viz., the CEF Terms.
2. The course provider of Eligible Online Courses shall pay the rebate to CEF course participants in accordance with this Annex.
3. The course provider shall request CEF course participants to sign an acknowledge receipt or a similar document, whether physically or electronically, upon receipt of the rebate. The course provider shall keep all the original acknowledgment of receipt for record as required under clause 5 of the CEF Proforma . The course provider shall also maintain the record of rebate and keep the documents concerned for inspection upon request.

4. The rebate may either be in cash, in cheque, or through electronic payment to the course participant's account with a licensed bank or to a stored value facility owned by the course participant and licensed under the Payment Systems and Stored Value Facility Ordinance (Cap. 584).
5. If a course provider fails to provide a rebate to an eligible CEF course participant, the Authority will take regulatory actions specified in Annex II to the CEF Proforma including the issue of a reprimand.
